

Mini Tag Holder - 10 Pack

STORE SKU

SCT04

Compact ABS tag holder for scaffold and equipment inspection tags. Supplied in packs of 10, holder only.

TECHNICAL DATA

- **Material:** ABS
- **Supplied as:** holder only, no tag
- **Dimensions:** 81 mm x 39 mm

APPLICATION

Fixes to a scaffold or item of equipment and holds an inspection tag where it can be read. Supplied as a holder alone; the tag is ordered separately. The 81 mm by 39 mm format suits confined points too small for the larger holders in this range.
