

Pneumatic Male Air Lockout

STORE SKU
PMA001

Male air fitting lockout for pressurised air sources.

TECHNICAL DATA

- **Material:** nylon
- **Padlock hole diameter:** 8 mm
- **Fits screwed joints:** 12 mm, 13 mm & 16 mm
- **Colour:** red

APPLICATION

Fits over the male fitting on an air line and prevents a coupling being connected to it. Takes screwed joints of 12 mm, 13 mm and 16 mm. The nylon body suits duties where a metal device is not wanted. Takes a padlock with a shackle up to 8 mm.
