

Wide Grip Tight Circuit Breaker Lockout - 480V to 600V

STORE SKU
SCB001

Wide grip tight lockout for 480 to 600 volt circuit breakers.

TECHNICAL DATA

- **Material:** aluminium alloy and nylon
- **Colour:** red and black
- **Suitable for:** 480 V- 600 V circuit breakers
- **Max clamping width:** 17.5 mm
- **Padlock hole diameter:** 10 mm
- **Operating temperature:** -40°C to 100°C

APPLICATION

Suitable for 480 V to 600 V circuit breakers. The jaws close to 17.5 mm, wider than the standard clamp device in the range, to grip larger breaker toggles. Rated for use from -40°C to 100°C. Takes a padlock with a shackle up to 10 mm.
