

# Nylon Safety Hasp - LOTO Padlock - Thick

STORE SKU  
**NSH002**

Nylon and ABS hasp sized for padlocks with a thick shackle, for applications where multiple locks are required at a single isolation point.

## TECHNICAL DATA

- **Material:** nylon / durable ABS plastic
- **Colour:** yellow
- **Dimensions (L x W):** 106 mm x 62 mm
- **Shackle diameter:** 6 mm
- **Lockout points:** 4

## APPLICATION

Fits over an isolation point and takes 4 padlocks, one per person working on the isolation. Sized for a 6 mm shackle, matching the padlocks in this range. The hasp cannot be removed until every padlock is off. Nylon and ABS throughout.
