- **Lockout points:** 6
- **Padlock hole diameter:** up to 10 mm
- **Colour:** red

SIZES AND STORE SKUS

25mm **SHA01** 38mm **SHA02**

APPLICATION

Fits over an isolation point and takes 6 padlocks, one per person working on the isolation. Holes take padlock shackles up to 10 mm, including the 6 mm shackles of the padlocks in this range. The hasp cannot be removed until every padlock is off. The shackle is metal; the Safety Hasp - Nylon Hasp / Nylon Body is the equivalent where an insulated hasp is specified.
