

Style 2 - Scaffold Inspection Tag - 10 Pack

STORE SKU

SCT02

Large scaffold inspection tag and holder in ABS, recording the inspection status of a scaffold. Supplied in packs of 10.

TECHNICAL DATA

- **Material:** ABS
- **Dimensions:** 310 mm x 92 mm
- **Wording and layout:** customisable on order
- **Supplied as:** one tag with one holder; hole diameter 60 mm

APPLICATION

Fixes to a scaffold tube through the 60 mm opening and displays its current inspection status to anyone approaching. The insert records who inspected the scaffold and when. The 310 mm by 92 mm format is readable at a distance. Supplied as one tag with one holder.
