

Switch Lockout - Style 3

STORE SKU

SL003

Lockout cover fitting over an existing switch cover.

TECHNICAL DATA

- **Material:** durable transparent polycarbonate plastic
- **Colour:** transparent
- **Fits switch size:** fits over switch covers that are smaller than 25.8 mm x 31.8 mm (width x length)
- **Padlock hole diameter:** 1 × 7 mm,
- **Lockout points:** 1

APPLICATION

Fits over switch covers smaller than 25.8 mm by 31.8 mm and holds the switch out of reach. The transparent body leaves the switch and any labelling visible while fitted. One lockout point takes a padlock with a shackle up to 7 mm.
