

Electrical Lockout Kit, 2 padlocks and 3 breaker lockouts

STORE SKU

LK001

Portable electrical lockout kit supplied in a water resistant carry bag. Holds padlocks, a safety hasp, tags and clamp-on breaker lockouts for isolating electrical supplies.

TECHNICAL DATA

- **Material:** water resistant polyester
- **Colour:** black

KIT CONTENTS

- 2 × 38 mm red steel padlock
- 1 × 25 mm safety hasp - steel hasp / nylon body
- 2 × style 2 - LOTO signage tag
- 2 × electrical MCB clamp-on lockout
- 1 × universal electrical miniature circuit breaker

APPLICATION

Assembled for electrical isolation work, covering miniature circuit breakers with both clamp-on and universal lockout devices. The hasp provides a single isolation point for more than one padlock, and the tags identify who applied each lock.
