- **Colour:** black & blue

KIT CONTENTS

- 2 × 38 mm red steel padlock
- 1 × 23 mm heavy duty steel padlock
- 1 × 63 mm heavy duty steel padlock
- 1 × 25 mm safety hasp - steel hasp / nylon body
- 1 × 38 mm safety hasp - steel hasp / nylon body
- 1 × electrical cord & plug lockout box (LOTO)
- 1 × adjustable gate valve cover
- 1 × gate valve cover - CVC001
- 1 × gate valve cover - CVC002
- 1 × gate valve cover - CVC003
- 1 × adjustable valve handle lock (small)
- 1 × adjustable steel cable - lockout tagout - style 1

APPLICATION

Assembled for sites where both valve and electrical sources are isolated. Gate valve covers in three sizes and an adjustable cover fit a range of valve diameters, while the plug lockout box encloses a plug and its cord end. Hasps in two jaw sizes provide isolation points for more than one padlock, and heavy duty padlocks are included alongside the standard steel locks.
